

See the Panda's At Adelaide Zoo

Wang Wang and Funi are the only Giant Pandas in the Southern Hemisphere and the first to live permanently in Australia and we have them right here in Adelaide! Adelaide Zoo has been entrusted with the care of these two Giant Pandas. Wang Wang and Funi were carefully chosen because they are healthy, friendly and easy to handle.

They are also considered a fantastic genetic pairing for the global Giant Panda breeding program. Any cubs Wang Wang and Funi have will be valuable additions to the Giant Panda population.

Adelaide Zoo

Within easy walking distance from all of the North Adelaide Heritage Group Properties or easily accessible by the free Adelaide Connector Bus!
